A better way to reconnect

Grandkids can visit for a story.

Mom and Dad can stay up after bedtime.

Friends can go out or stay in ... together.

We’re proud to introduce Confirmed Connecting Rooms by Hilton™, the first major hotel company booking experience that instantly confirms your connecting rooms when you book direct with Hilton. The days of waiting until you arrive to know if your rooms will connect are gone.

Book at Hilton.com or on the Hilton Honors App

1. Select number of rooms, dates and hotel.
2. Check the “Connecting Rooms” box.
3. Choose your instantly confirmed Connecting Rooms and book your stay.
