ABOUT TAPESTRY COLLECTION BY HILTON

Tapestry Collection by Hilton is an upscale portfolio of more than 70 original hotels that offers guests unique style and vibrant personality. Each handpicked Tapestry Collection property encourages guests to explore the local area, seek their adventurous sides and create an authentic connection to their destination. With Tapestry Collection hotels, Hilton takes the guesswork out of shopping for and booking a unique hotel, while also enjoying the benefits earned from the award-winning Hilton Honors loyalty program.

TAPESTRY COLLECTION BY HILTON HIGHLIGHTS

VIBRANT AND ORIGINAL
A “tapestry” is a unique, woven piece of art, making it the ideal name for Tapestry Collection by Hilton. Each hotel is an original property with its own unique style that enables travelers to weave their own individual story.

OFF THE BEATEN PATH
Often located in destinations off the beaten path, Tapestry Collection inspires travelers to get out and explore the neighborhood and immerse themselves in the local food, culture and art. After a day of adventure, guests can look forward to returning to the comfort and amenities of each Tapestry Collection hotel.

PROPERTY SPOTLIGHTS

- **Hotel Skyler Syracuse** (U.S.): An eclectic, 58-room University Hill hotel built in 1922 to house the Temple Adath Yeshurun congregation. The eco-friendly hotel was also the city’s first to achieve LEED Platinum certification from the U.S. Green Building Council.

- **The Wilbur Lititz** (U.S.): A former chocolate factory turned hotel that pays homage to its heritage through unique elements such as an original chocolate coffee available in each guest room. Plus, guests can still experience the chocolate scent when they walk in the door.

- **Hotel Resonance Taipei** (Taiwan): Tapestry Collection’s first hotel in Asia Pacific offers guests 175 modern rooms with easy access to the many attractions of downtown Taipei. The hotel’s design is centered around the theme of a “Film Box,” marking the original site as a camphor tree farm 150 years ago. Camphor was used as an important industrial material as a backing for photographic roll films.

- **Canvas Moncton** (Canada): The brand’s first property outside the U.S., this vibrant hotel offers 97 light-filled guest rooms, state-of-the-art meeting and event spaces, and interactive culinary experiences at Expérience by ANBL, featuring wine and beer tastings plus food pairing workshops.

- **The Bernic Hotel New York City** (U.S.): Offering a modern experience for guests in the heart of Midtown East, this hotel is located a few short blocks from Grand Central Station and Rockefeller Center, among other landmarks.
